

Dioxin and Human Health

The first presentation in a series that will address dioxin contamination in the Saginaw Bay Watershed

**Dioxin in the
Saginaw Bay Watershed**

We are delighted that our first guest in the series is:

Linda Birnbaum, Ph.D.

*Division Director,
U. S. Environmental Protection Agency*
Office of Research and Development,
National Health and Environmental Effects Laboratory

Currently, Dr. Birnbaum serves as the Director of the Experimental Toxicology Division at Research Triangle Park, North Carolina, and is the 2004-2005 President of the Society of Toxicologists.

Wednesday, April 13, 2005 • 6:30 p.m.

Swan Valley High School

8400 O'Hern Road • Saginaw, MI • *Everyone Welcome*
